NARTE PRESENTS MARCONI-BELL AWARD FOR ESD CONTROL WORK

On June 25, 2004 NARTE (NAR-tee) presented its Marconi-Bell Award to Louis W. Patterson for his work in electrostatic discharge control certification. Mr. Patterson has been the principle driving force behind the development and presentation of NARTE's professional certification examination and the examination preparation workshop. Lou has presented the workshop and proctored the examination annually since 1994. Lou Patterson works under on a sub-contract to AT&T, serving as the HITS Training Manager, and as the Communications Management Information Tool (COMIT) Telecommunications Management Systems Administrator.

The award was presented by Mr. David Newman, AT&T Government Solutions-Hawaii, Director of Operations, Mr. Terry Booker, AT&T Government Solutions-Hawaii, Program Manager and Mr. Tom Campbell ARServices, Ltd., Program Manager.

The Marconi-Bell, named for Guglielmo Marconi, inventor of the radio, and Alexander Graham Bell, inventor of the telephone, is a peer recognition award that is presented by NARTE from time to time for a major contribution to the telecommunications field that is acknowledged by peers as an extraordinary achievement. NARTE is a worldwide, non-profit, professional telecommunications association which certifies qualified engineers and technicians in the fields of Telecommunications, Electromagnetic Compatibility/Interference (EMC/EMI), Electrostatic Discharge control (ESD) and Wireless Systems Installation.
